

International Postgraduate Admission Brochure 2025

南京航空航天大学
NANJING UNIVERSITY OF AERONAUTICS AND ASTRONAUTICS

Welcome to NUA

Nanjing University of Aeronautics and Astronautics (NUAA) is a leading Chinese institution known for its excellence in engineering sciences, including Aeronautics, Astronautics, and Mechanical Engineering, as well as Economics and Management. NUAA is among the first national universi-

ties authorized to confer doctoral, master, and undergraduate degrees, with graduate schools and recognition under "National Project 211" and "Double First-Class" initiatives.

Postgraduate Programs

NUAA is one of the first few universities in China offering English taught postgraduate programs in Engineering and Business majors since 2005. NUAA currently offers over 30 international postgraduate programs instructed in English with duration of 2.5 to 4 years. Qualified graduates are awarded graduation diploma and degree.
